Atlas Shrugged (Atlas Sound)  
"Shrug-a-Dub" Mix (Selector Dub Narcotic)

In March 2008, while Atlas Sound toured the U.S.A., chief Atlas Provocateur Bradford Cox stopped off in Olympia, Wash. to lay down some tracks at the Dub Narcotic studio for this stellar Disco Plate release. Entirely off the cuff, Bradford made up the song on the spot, played all the instruments and improvised vocals. The session was engineered by Calvin Johnson, who in his guise as Selector Dub Narcotic added his own flourishes, vocal and melodic, mixed the arresting B side "version". Another instant classic in our Dub Narcotic Disco Plate series of 7" 45 RPM records.
