# DINOSAUR JR.

“PIECES” B/W “HOUSES” 7-INCH

Pieces  
Houses

“Pieces” bw “Houses” marks the second single from *Farm*, **Dinosaur Jr.’s** critically acclaimed long-player on Jagjaguwar.

Featuring more bizarre artwork from renowned poster artist Marq Spusta, the 7-inch includes an exclusive b-side of Dinosaur Jr.’s cover of “Houses”, originally written & recorded by Elyse in 1968.

If *Beyond* was Dinosaur Jr.’s return to form, *Farm* is proof that this band continues to deliver that which makes rock worth cranking to 11. At times wholly ‘70s guitar-epic, at times perfect for sitting by a babbling brook with Joni and Neil, *Farm* encompasses Dinosaur Jr.’s signature palette—soaring and distorted guitar, unshakable hooks, honey-rich melodies, songs that get into your head and, bouncing around happily, stay there. *Farm* is propelled by the unique energy of one of America’s greatest living rock bands hitting their stride. The *Farm* session was recorded in J Mascis’ Bisquiten studio in Amherst, Massachusetts, and was produced by Mascis.
